Government Information Systems  
PRC  
1500 Planning Research Drive  
McLean, Virginia 22102

STAT

[redacted]  
On behalf of the other Agency participants and myself, let me thank you for the briefing you provided us on 22 September. It is helpful for us to know what resources and capabilities are available in the industry, as we look ahead in our own program.

STAT

Please express our appreciation to [redacted]  
[redacted] for their presentations. We appreciate the extra effort it takes, on top of their regular assignments, to develop each presentation.

STAT

When you find that it is convenient, we would still like to accept your offer to hear about PRC's communications background and specifically about your analytic performance modeling techniques and accomplishments.

Yours truly,

[redacted]  
Information Handling Systems Architect
